RE: System Number TS40488
NDEQID #119851 R Via Retreat LLC

The following Onsite Wastewater Treatment System has been registered with the Nebraska Department of Environment and Energy as required by *Title 124 - Rules and Regulations for the Design, Operation and Maintenance of Onsite Wastewater Treatment Systems*.

Please note that this registration simply acknowledges receipt by the NDEE of a completed registration form and registration fee (and late fee if applicable), and is not an acknowledgement by the Department that the actual installation complies with the design, setback or other requirements prescribed in regulation.
