Property Summary

What a gorgeous piece of land perfectly set up for your next dream home with excellent income and tremendous hunting for upland game including Bobwhite Quail, Pheasants, and top notch Whitetail deer hunting.

Many game trails exist on the land and the center is a haven for deer to escape and hide. The property is currently planted to wheat and serves as the perfect food plot.

On the northeast corner of the land is an old homestead that has mature landscaping and trees for ultimate privacy. This property is poised to sell quickly as the beauty of it is impressive.

*Agent note: This property is "loaded" with Bobwhite quail, many coveys call this land home. There is a tenant in place that would continue to farm the ground with a new owner if there is a need.

*Agent Note: The sellers have an additional half section of clean grass that is very well maintained that could potentially be purchased. Please feel free to call me at 308-530-7854 for details. This property also has excellent county road access. Get your Fall started off on the right foot with this amazing property that is "sure to please!"
